Login system is implemented:

The image shows a login interface for a 'Course Management System'. The title 'Course Management System' is centered at the top in a bold, black font. Below the title, the word 'Login' is displayed. There are two input fields: 'Username:' followed by a text box, and 'Password:' followed by a text box. Below these fields is a red 'Login' button. The entire form is set against a light orange background with a subtle gradient.
